

## Press Release

# Price adjustment for inkjet papers

Bielefeld – March 11, 2021

Mitsubishi HiTec Paper is adjusting the prices for coated inkjet papers due to the permanently increasing costs for logistics and raw materials, especially pulp. The price increase of 5 % applies to deliveries of the entire *jetscript*<sup>®</sup> inkjet paper range from May 1, 2021.

Customers are contacted directly by the Mitsubishi sales team.

**Mitsubishi HiTec Paper Europe GmbH** is a German subsidiary of Mitsubishi Paper Mills Ltd., Japan, one of the world's leading manufacturers of specialty paper. The roughly 770 employees at Mitsubishi HiTec Paper Europe produce high-quality direct thermal, inkjet, carbonless, label and barrier papers for food packaging at two tradition-rich locations in Bielefeld and Flensburg. Each factory stands out for own base paper production, state-of-the-art production machinery and innovative coating technologies. Through its dense global sales network, Mitsubishi HiTec Paper Europe supplies a full range of specialty papers for many applications – and is a highly capable partner whenever customized coated paper solutions are required.
